Contractor:
Rock Supremacy
2660 NE HWY 20 #6
Bend, Oregon 97701

Notice to Proceed:
April 16, 2019

Fixed Completion Date:
October 04, 2019

Placing and tightening down spike plates

Construction Activities & Upcoming Work

The added Pebble Beach repairs will be wrapping up for the most part this week with minor clean up issues taking place next week.

The roadway will continue to be restricted to one lane of alternating traffic controlled by flaggers during the work day, with signals running after hours and weekends through the completion of the work.

Expect delays of up to 15 minutes during the day when being flagged, and up to 5 minutes at night and weekends with the signals running.

Please be very cautious, reduce your speed, and obey the flaggers and signals when traveling through the work zone at Pebble Beach, as it will be very narrow. Thank You.
