A template for the Miscellaneous Sheets is available on the FLH website at <https://flh.fhwa.dot.gov/resources/design/plans/cfl/template/ord/>. The template will need to be revised to incorporate project specific information.

An excel template for the Drainage Summary is also available. https://flh.fhwa.dot.gov/resources/design/plans/cfl/template/ord/documents/602%20-%20Drainage_Summary.xlsm

If using CFL templates, use the paste special command in ORD to place table. Use linked worksheet and by size (size = 1).

Use bold text for summary totals in tables
