Questions

## NSFLTP Program Description

### ► Program purpose

- To provide funding for the construction, reconstruction, and rehabilitation of nationally-significant projects on Federal or tribal lands.

### ► Statutory citation

- FAST Act § 1123, IIJA § 11127

### ► Eligible Applicants

- Federal Land Management Agencies (FLMA)
- Tribal Governments
- States and local transportation agencies may also apply, but only if sponsored by an FLMA or Tribal Government.

## NSFLTP Program Description

- Minimum Project Construction Cost – **\$12,500,000.**
- 50% of the available funds **must** go to Tribal transportation facilities
- Not less than one eligible project from National Park Service for a unit with 3,000,000 annual visitors or more shall receive funds
- **Federal share**
  - **100%** for Projects on Tribal transportation facilities
  - **90%** for other Projects not on Tribal transportation facilities
  - Allows the use of **Federal funding** as match, including Title 23 and 49 funds
- **Funding Availability**
  - 3 fiscal years following the fiscal year for which the amounts are appropriated.

7

## Changes from the FY 2022 NSFLTP NOFO

**The FY 2023 NOFO updated  
the funding available**

**Amendment #2 extended  
the application timeline from  
60 to 120 days**

# FY 2023 NSFLTP funding available

**The funding available for  
award in FY 2023 is  
\$88,290,000**

**\$44,145,000 Available for  
tribal transportation  
facilities**

## NSFLTP Eligibility Information

- A **single continuous project** on a Federal lands transportation facility, a Federal lands access transportation facility\*, or a tribal transportation facility\*

\*The facility is not required to be included in an inventory described in 23 U.S.C. sections 202 or 203 [FAST Act, section 1123(c)(1)];

- **NEPA must be complete**, as demonstrated through—
  - a record of decision with respect to the project;
  - a finding that the project has no significant impact; or
  - a determination that the project is categorically excluded; and
- The project must have an estimated total project cost **equal to or exceeding \$12,500,000**

## NSFLTP Eligibility Information

- Eligible Activities
  - Construction related costs only
  - Design or preliminary engineering are not eligible activities/costs
- Eligible Applicants
  - FLMA
  - Tribal Governments
  - States and local transportation agencies\* may also apply, but the application must include documentation that an FLMA or Tribe supports the project

\*This includes States, local governments, political subdivisions of a State or local government, metropolitan planning organizations or MPOs, and special purpose districts or public authorities with a transportation function, including port authorities.

## Sponsorship Coordinator

- Sponsorship Coordinator provides
  - FHWA a list of sponsored applications, including their own.
  - Enough detail to match the projects with applications.
- Each Tribe and FLMA should designate one person to be Sponsorship Coordinator.
- A list of Sponsorship Coordinators can be obtained at:  
<https://highways.dot.gov/federal-lands/programs/significant/list-sponsorship-coordinators>

## Application and Submission Information

- All applications must be submitted in **Grants.gov**
- Content and Form of Application Submission
  - Standard Form 424, 424C, 424D, LLL, and Key Contacts
  - Cover Page
  - Narrative, including a project description, location, parties involved, funding, budgeting, project risks, and a discussion of how the project addresses Statutory and Discretionary criteria.
  - NEPA documentation, maps, letters of support
- NOFO's link on Grants.gov:  
<https://www.grants.gov/web/grants/view-opportunity.html?oppld=349112>

# Application Review Information, overview

## **FHWA reviews applications**

FHWA reviews applications to ensure the materials are complete and responsive to the NOFO instructions.

## **Technical Review Team**

Technical staff from FHWA Reviews projects for eligibility and rate applications against the selection criteria described in the NOFO.

## **Senior Team**

Executive leaders from FHWA decide which applications are sent to the Administrator as **Highly Rated**

## **FHWA Administrator makes the final selections**

## Application Review Information, Statutory Criteria

### ■ **Statutory criteria**

- Applications will be evaluated against the nine criteria provided in statute and in the NOFO:
  1. Furthers the Department's goals, including state of good repair, economic competitiveness, quality of life, and safety;
  2. Improves the condition of critical transportation facilities, including multimodal transportation facilities;
  3. Needs construction, reconstruction, or rehabilitation;
  4. Has matching funds (projects with a greater percentage of matching funds rank higher than projects with a lesser percentage of matching funds);

## Application Review Information, Statutory Criteria

### **Statutory criteria continues**

5. Is included on or eligible for the National Register of Historic Places
6. Uses new technologies and innovations to increase project efficiency;
7. Is supported (whether for construction or for operation and maintenance) by funds other than those received under this program;
8. Spans two or more States; and
9. Serves land owned by multiple Federal agencies or Indian tribes.

## Application Review Information, Discretionary Criteria

### ► Discretionary criteria

- Applies to all applications:

- 1. The project's demonstrated project readiness.**

- Applies only to applications on Federal lands access transportation facilities or on Federal land transportation facilities (not on Tribal transportation facilities):

1. Is the project located in an underserved community? as defined in Executive Order 13985;
2. The extent to which the project reduces greenhouse gas emissions and improves environmental justice;
3. The extent to which the project will advance the Racial Equity and Barriers to Opportunity Program objective; and
4. The extent to which the project will advance the Job Quality, Workforce Development, and Workforce Equity objective.

# Application Review Information, application rating guidelines

Highly Recommended	Recommended	Acceptable	Not Recommended
<ul style="list-style-type: none"><li>• The project <b>aligns extremely well</b> with the objectives of the statutory criteria.</li><li>• Projects with 4 or more criteria rated as Strong Alignment</li><li>• Or Projects with all the statutory criteria rated as Alignment</li></ul>	<ul style="list-style-type: none"><li>• The project <b>aligns well</b> with the objectives of the statutory criteria.</li><li>• Projects with at least 1 criterion rated as Strong Alignment</li><li>• or Projects with most of the statutory criteria (5 or more) rated as Alignment</li></ul>	<ul style="list-style-type: none"><li>• The project that <b>aligns</b> with the objectives of the statutory criterion under consideration.</li><li>• Projects with no criteria rated as Strong Alignment but with several criteria rated as Alignment</li></ul>	<ul style="list-style-type: none"><li>• The project <b>does not align well</b> with objectives of the statutory criterion under consideration or does not align with eligibility criteria.</li></ul>

Recommended, and Highly Recommended applications are sent to the FHWA Administrator as **Highly Rated**.

**FHWA Administrator makes the final selections**

## Federal Award Administration Information

### ► Notification of Selection

- The FHWA will announce awarded projects by posting a list of selected projects at <https://flh.fhwa.dot.gov/programs/significant/>
  - Following the announcement, FHWA will call the point of contact listed in form SF-424 to initiate negotiation of a project-specific agreement
- The selection announcement is not an authorization to start work and incur cost.
- Recipients can only do work and incur costs after a grant/project agreement is in place

## Federal Award Administration Information

### ► Reporting

- Recipients of NSFLTP Program funding are responsible for meeting reporting requirements
- Federal Financial Report (SF-425) on the financial condition of the project bi-annually
- Annual Budget Review and Program Plan to monitor the use of Federal funds and ensure accountability and financial transparency in the NSFLTP Program
- FHWA reserves the right to request additional information, if deemed needed, to better understand the status of the project.

## Websites: SAM.gov

- **What's SAM.gov?** System for Award Management is the website where you register to do business with the U.S. Government
- **How do you sign up?**
  - Create a user account.
  - Register your entity to do business.
- **What if we are Tribe or Alaskan Native Village?** Yes, you must be registered in SAM.gov to receive a Federal award

## Websites: SAM.gov

- Must be registered in SAM.gov
- Must have an UEI (Unique Entity Identifier) (replaces DUNS Number)
- These processes can take several weeks to complete, so should be started well before the application deadline.
- Direct Link to SAM:  
<https://sam.gov/content/home> or  
<https://sam.gov>

# Websites: SAM.gov

The screenshot shows the SAM.gov homepage. A red box labeled '1' highlights the 'Home' link in the top navigation bar. A red arrow points from this box to the address bar, which displays 'https://sam.gov/content/home'. Another red box labeled '2' highlights the 'Federal Hierarchy' link in the 'The Official U.S. Government System for:' section. A red arrow points from this box to the 'Register Your Entity or Get a Unique Entity ID' section on the right. This section includes a 'Learn More' link, a description of the registration process, and three buttons: 'Get Started', 'Renew Entity', and 'Check Registration Status'.
