## Construction Activities & Upcoming Work

This past week the contractor resumed subexcavation and installing borrow material on Lathrop St. from Cinch St. to the slough. They installed a culvert along the Lathrop St. extension, and installed topsoil and boulders around the landscape islands at the Motorized Boat Launch.

Next week the contractor will continue subexcavation and installing borrow material on Lathrop St. from the slough to Station 65+00 and installing borrow on the Northlake extension.

## Traffic Closures

This coming week portions of the Motorized Boat Launch parking lot will be closed off Mon-Fri, 7am-7pm. The contractor will be working this Saturday, September 16th.
