Administration**

Project Description

Utilizing Nationally Significant Federal Lands and Tribal Projects (NSFLTP) funds, the Canyon to Tower Phase 3 construction project consists of reconstruction of 6.1 miles of the main line, reconstruction of the Mae West curve area to provide parking, Buffalo Paddock picnic area improvement, Tower Falls Store parking area reconstruction and expansion, reconditioning of Chittenden road and Mount Washburn parking lot reconstruction. Excavation, embankment, aggregate base, paving, overlook construction, wall construction will be included in the work.

Road Surface conditions

Currently the road is asphalt surfacing. Asphalt removal is scheduled to begin April 27th.

Current and Upcoming Work

Construction work is currently scheduled for 5 to 6 days a week from 0700 to 1730 as conditions allow. Saturday work will occur when needed. Upcoming work includes survey staking, erosion control implementation, clearing, and asphalt milling.

Traffic Delays

The road is currently closed from Tower Junction to Canyon Junction.
