CANYON TO TOWER, PHASE 3
Construction Activities & Upcoming Work

June 29, 2020

Project Description
Utilizing Nationally Significant Federal Lands and Tribal Projects (NSFLTP) funds, the Canyon to Tower Phase 3 construction project consists of reconstruction of 6.1 miles of main line, reconstruction of the Mae West curve, Buffalo Paddock picnic area improvement, Tower Falls Store parking area reconstruction and expansion, reconditioning of Chittenden road and Mount Washburn parking lot reconstruction.

Road Surface conditions
Pulverized asphalt aggregate surface.

Current and Upcoming Work
The Mae West excavation is approaching completion. Excavation is approximately 50% complete and continues with embankment material being hauled to the Tower Falls Parking area for expansion of the parking lot. Culvert installations are occurring during the night shift with several receiving new masonry headwalls. The Tower Falls plaza area is undergoing renovation with demolition complete and installation of a new sanitary system in progress. Buffalo Paddock picnic site is graded in and being used as a staging and sorting area. Upcoming work includes a special rock embankment and mechanical stabilized earth wall.

Traffic Delays
The road is currently closed from Tower Junction to Canyon Junction.
