1220 38th St N
Great Falls, MT 59405

Project Partner:

DOD

Contractor:

MK Weeden Construction, Inc.
P.O. Box 1164
Lewistown, MT 59457

Notice to Proceed:

8/09/2021

Fixed Completion Date:

8/10/2023

Project Description:

Roadway Reconditioning, aggregate surfacing, aggregate stabilization, and drainage upgrades in Cascade, Teton, and Lewis & Clark Counties.

U.S. Department
of Transportation

**Federal Highway
Administration**

Defense Access Roads FY 2021

Construction Activities

Construction activities are complete for this project.

Over the last 2 years we were able to deliver approximately 175,000 tons of stabilized aggregate to about 66 miles of roadway in Cascade, Teton, and Lewis and Clark Counties. We improved drainage facilities on these roads in support of our primary mission of keeping the launch facilities accessible year round as well. It is satisfying to know that we are doing our little part in keeping our country safe.
