Administration**

Project Description

Utilizing Nationally Significant Federal Lands and Tribal Projects (NSFLTP) funds, the Canyon to Tower Phase 3 construction project consists of reconstruction of 6.1 miles of main line, reconstruction of the Mae West curve, Buffalo Paddock picnic area improvement, Tower Falls Store parking area reconstruction and expansion, reconditioning of Chittenden road and Mount Washburn parking lot reconstruction.

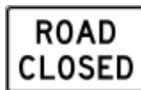

Road Surface conditions

Crushed aggregate and pulverized asphalt aggregate surface.

Current and Upcoming Work

Excavation along mainline has been completed. Roughly 2.2 miles of road from beginning of project is prepared to grade for paving in the spring. Ditch line grade is being established and rip rap lining installed. Mainline culvert installs have been completed. Embankment work continues at the Tower Falls and Chittenden parking areas. Top soil continues to be placed on completed slopes. Upcoming work includes; Tower Fall trial paving, additional rockery and RSS walls, continue masonry headwall installation, log curb, pedestrian rail and crushed roadway aggregate.

Traffic Delays

The road is currently closed from Tower Junction to Canyon Junction.
