2018-0377-WA	CLOSE	9/18/2018	Hurrle		all funding records for the Covington Road project #360882 year 2000-2001. This project received various grants via State and Federal funding. This was a 4.6 million dollar project to widen Covington road from a 2 lane to a 4 lane road. Noise abatement walls were not implemented in the section of Rosewood to 107th and should have been implemented. The noise level was at 7.0 when the road was widened and a noise abatement wall was supposed to be implemented behind my house. The widening of Covington Rd went from Fourth Plain to Padden Parkway. This is behind my house for reference at 10705 NE 64th St, Vancouver Washington 98662.

2018-0229	CLOSE	5/8/2018	Cradock	Harvard T.H. Chan School of Public Health	We are writing to submit a Freedom of Information Act (FOIA) request for data from the Fiscal Management Information System (FMIS) of the Federal Highway Administration (FHWA). Outlined below are details of the request and a description of the research planned. *FMIS Request 1. Bicycle and Pedestrian Funding Data Requested Our project team requests from FHWA data on project-level annual federal funds obligated for bicycle and pedestrian projects during fiscal years 1992-2015. We look to the table of Federal-Aid Highway Program Funding for Pedestrian and Bicycle Facilities and Programs published on the FHWA website as a guide: https://www.fhwa.dot.gov/environment/bicycle_pedestrian/funding/bipedfund.cfm . Our goal is to obtain these published data at a finer level of geography, the county. See request for more details.
