Lake Maintenance Station

BLDG 708

506 Howell Drive

PO Box 3308

Lake, WY 82190

## Project Partner:

National Park Service -  
Yellowstone NP

## Contractor:

Oftedal Construction, Inc.  
Miles City, MT

## Notice to Proceed:

April 16, 2018

## Fixed Completion Date:

October 30, 2020

## Construction Activities & Upcoming Work

### Road Surface Conditions

The roadway is paved from the intersection at the Grand Loop Road to the west side of Pelican Creek and also from the east side of Pelican Creek to Indian Pond. The causeway across Pelican Creek remains gravel.

### Current and upcoming work

#### Current activities:

- Hot mix asphalt paving continues at approaches and turnouts on either side of Pelican Creek.
- Formwork installation and concrete placement for the curb on the east end of Pelican Creek Bridge is progressing.
- Installation of stone masonry parapets is ongoing at Pelican Creek Bridge.
- Sections of the work bridge continue to be removed.
- Injection grouting for the west abutment at Fishing Bridge has started.

#### Upcoming work:

- Stair construction at the west end of Fishing Bridge.
- Joint filler work between deck panels on Fishing Bridge.
- Bridge rail installation along the north side of Pelican Creek Bridge followed by installation along the south side.
- Work on the diversion at Pelican Creek is scheduled to begin this week.

Storm Water Pollution Prevention Plan (SWPPP): The SWPPP is available for viewing at Oftedal's project office.

## East Entrance Road—Fishing Bridge to Indian Pond

Top: Pouring concrete on Frame 3 north side curb.

Bottom: Finishing concrete for curb pour on north side on Frame .

### Traffic Delays

Expect short delays Monday – Sunday. A combination of flaggers, traffic signals, and a pilot car may be used to control traffic.

The Gas Station, Repair Shop, and General Store are open in Fishing Bridge Village. The Visitor Center remains closed for the season.
