Re: Sun River Bridge Replacement Project, MT FLAP BOR 2980(1) – HFL-17

Dear Mr. Schurke,

Thank you for your letter and associated materials (received September 26, 2023) regarding the proposed Sun River Bridge Replacement project. We concur with your determination of No Adverse Effects of Historic Properties.

Please note that our concurrence does not substitute for a good faith effort to consult with interested parties, local government authorities, and American Indian tribes. If you receive a comment that substantially relates to a historic property located within or adjacent to the Area of Potential Effect, please submit it to our office for review. Include documentation of how the comment was addressed. If you have any questions or concerns, do not hesitate to contact me at (406) 444-6485 or [Samantha.Gilk@MT.gov](mailto:Samantha.Gilk@MT.gov). Thank you for consulting with us.

Sincerely,

Samantha Gilk, M.S.
