Construction Activities & Upcoming Work

April 26, 2024

This week, the contractor backfilled the bridge approaches and the bridge subcontractor is tying rebar in preparation for concrete on the approach slabs. The contractor is also working on removing vegetation along the limits of the project. Upcoming work next week includes installing the riprap guide banks.

Traffic Delays

Contractor's schedule will be **Monday thru Saturday, 7:00am-5:00pm. Expect up to 30 minute traffic delays during this time.** Please drive cautiously through the project.
