Administration**

## **Construction Activities & Upcoming Work**

Construction activities on FSR 354 have been completed. As of Friday, June 21st, 2024 FSR 354 will be re-opened to the public. Construction activities continue on FSR 5503 (Swan Creek Rd) at M.P. 1.28 from the USFS gate. Work at this site includes excavation of slide debris, construction of rock embankment as well as construction of Gabion faced, Reinforced soil slope wall. The wall will be approximately 27 feet in height and approximately 100 ft long. Please be aware of incoming and out going truck traffic along Highway 12 at M.P. 87.5. Construction activities are planned to be performed Monday-Friday from 7am-5pm. Construction activities will continue thru the 4th of July holiday and the road will remain closed to the public until completion of construction activities. At the completion of work on FSR 5503, construction activities will move to FSR 470 and FSR 468 with operations running concurrent beginning July 8th.

## **Road Closures**

FSR 5503 is currently closed and will remain closed at the junction with Highway 12 at M.P. 87.5 until construction operations are concluded. Please be aware of potential heavy truck traffic entering and exiting onto the highway and refrain from entering the work area.
