Great Falls, MT 59403

Notice to Proceed:

8/04/2022

Fixed Completion Date:

10/31/2023

Project Description:

Roadway Reconditioning, aggregate surfacing, aggregate stabilization, and drainage upgrades in Judith Basin, and Fergus Counties.

U.S. Department
of Transportation

**Federal Highway
Administration**

Defense Access Roads FY 2022 Construction Activities are complete

Over the last 2 years we were able to deliver approximately 145,000 tons of stabilized aggregate to about 50 miles of roadway in Judith Basin and Fergus Counties. We improved drainage facilities on these roads in support of our primary mission of keeping the launch facilities accessible year round. It is satisfying to know that we are doing our little part in keeping our country safe.
