

Glenn Hwy Rehab, Kings River Bridge, MP 66.0 to 67.2

Construction Activities & Upcoming Work **August 23, 2024**

The contractor is working to prep select borrow grade for placement of aggregate base. Ditches and shoulders are being completed. Bridge subcontractor finished the bridge membrane this last week. Asphalt paving operations can be expected soon. Contractor plans on extended shift times from approx. **4am - 9pm** during paving activities.

Traffic Delays

Shift: Monday—Friday 7am-7pm

Delays up to 30 minutes can be expected during shift hours.

Above: Waterproof membrane applied to the new bridge.
