Construction Activities & Upcoming Work

Construction activities have completed on FSR 470. Operations will now move to removing all equipment from construction site and storage area at O'Hara Bridge. Turf Establishment operations will take place on October 10th 2024. FSR 470 will remain closed until Turf Establishment operations are completed. Please contact local USFS office for information regarding when FSR 470 will open to the public. Turf Establishment operations were completed on FSR 354 and FSR 469 on Oct 2, 2024.

Road Closures

FSR470, Swiftwater Road, remains closed to thru traffic from the Selway River to the junction of FSR653 and will remain closed until project completion around the middle of October. Please refer to your local USFS office for further details.
