

# POLYCHROME AREA IMPROVEMENTS

Source: Granite Construction Co., Inc.

May 16, 2025

## Project Number:

AK NPS DENA 10(49)

## FHWA Contact:

David Harvey  
E: Jesse.Harvey@dot.gov  
P: 360-833-3338

## Project Partner:

National Park Service (NPS)

## Contractor:

Granite Construction Co.  
Anchorage, AK

## Notice to Proceed:

1/4/2023

## Fixed

## Completion Date:

July 6, 2026

U.S. Department  
of Transportation

**Federal Highway  
Administration**

## Construction Activities and Upcoming Work

The contractor completed erection of the first bay cantilevered to the west over the soil nail wall. They then spent a few days completing the final torquing and testing of the bolts in the lower and upper connections. They also established temporary access across the slide for their crews to prepare for upcoming work at abutment #2. Next week they will erect the next bay, L4 to L3 out over the slide.

## Traffic Delays

There are no traffic delays expected. Deliveries of oversized loads will be happening during the day and will be accompanied by an escort vehicle until such time that the buses begin running. At that time oversize loads will be restricted to night time travel unless otherwise permitted.
