Granite Construction Co.  
Anchorage, AK

## Notice to Proceed:

1/4/2023

## Fixed

## Completion Date:

July 6, 2026

U.S. Department  
of Transportation

**Federal Highway  
Administration**

## Construction Activities and Upcoming Work

The past 2 weeks the site has seen several sizable groups visiting the site. A big thanks to the contractor for helping to facilitate those visits.

This week the contractor erected the second bay cantilevered out over the slide, L4 –L3. They will finish bolting those connections over the next couple of days and prepare to move the crane out further and position it to erect the next bay, L3 to L2. All erection is now being done out over the slide area. They also removed the deep patch from the old roadway on the west side of the slide.

## Traffic Delays

There are no traffic delays expected. Deliveries of oversized loads is restricted to nights.
