SWIFTCURRENT SPUR ROAD

Deep Culvert

October 23, 2025

Project Information

Project Number:

MT NP GLAC 14(6)

FHWA Contact:

Storm Beck
Project Engineer
550 Corporate Drive
Kalispell, MT 59901

Project Partner:

Glacier National Park

Contractor:

Missouri River Contractors
1500 Blaine Street
Helena, MT 59601

Notice to Proceed:

10/01/2024

Fixed Completion Date:

11/21/2025

Project Description:

Replacing failed culvert at station 174+75 along Two Medicine Road as part of the Swiftcurrent Spur Road Rehabilitation project.

Project Staff:

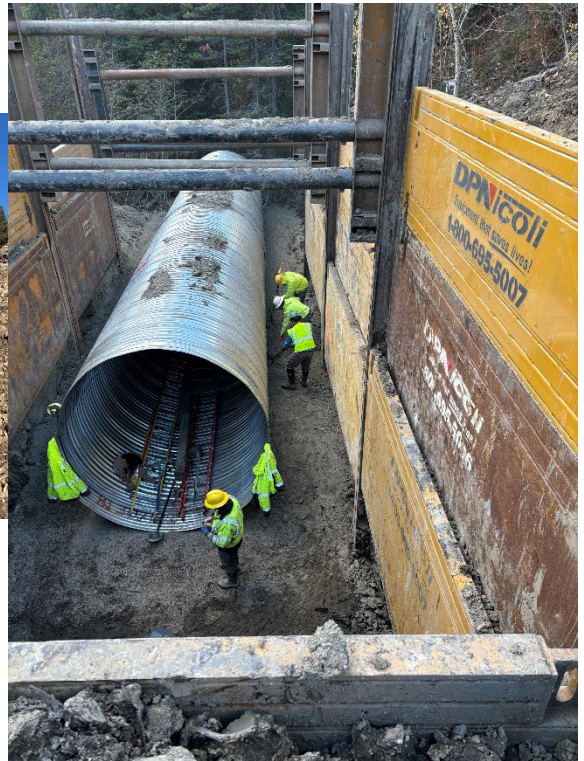

Storm Beck, PE
Ryan Votapka, Asst. PE
Knud Martin, COE
Desiree Nelson, Project Admin

Current Construction Activities:

The Contractor has backfilled around the first 60 feet of pipe and is beginning to construct an access road over the backfilled section. This access road will provide site access as they begin excavation for the remaining sections of pipe.

Upcoming Construction Activities:

The Contractor will continue excavating, installing the slide rail system, and placing the remaining sections of pipe. Once the final pipe segments are installed, they will begin backfilling above the newly installed sections

Work Schedule:

Monday- Saturday: 7:00 am – 7:00 pm

Road Closure: Two Medicine Road is closed to all public traffic, including bicycles and pedestrians.
