Notice to Proceed:

January 24, 2023

Fixed Completion Date:

November 30, 2026

U.S. Department
of Transportation

**Federal Highway
Administration**

Project Description:

Utilizing Great American Outdoor Act Funding the Yellowstone River Bridge project includes constructing a new bridge over the Yellowstone River, a new alignment to the bridge approach, expansion of picnic areas, and additional parking at various trailheads.

Road Conditions:

The road surface is milled pavement and compacted earth. Extreme caution should be used by motorist, particularly during snowy and wet weather conditions. Temporary traffic control signs are utilized at all active construction locations to ensure public safety.

Current and Upcoming Work:

The project is nearing a winter shutdown. Concrete work and Asphalt paving work are completed for the year with temporary asphalt placed on Grand Loop. Railing on the bridge is completed. Road signs have been installed on the new alignment. Temporary centerline striping will be painted next week. The New alignment is anticipated to open to traffic on Friday, November 14th.

Traffic Delays:

Work on the road alignment are resulting in minor traffic delays not to exceed 30 minutes. Drivers are reminded to exercise caution near construction access roads. Please exercise caution as workers install snow poles, road signs and paint centerline.

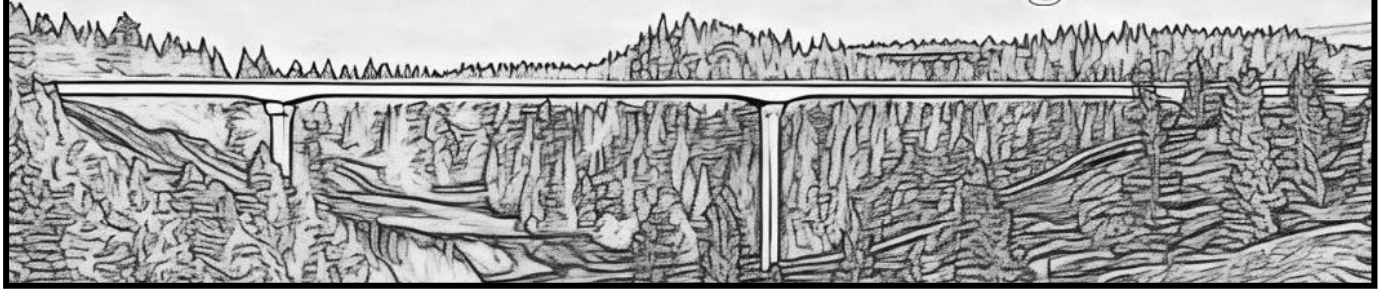

2025 Construction Milestones:

Completion of Abutments—Completed
Girder Erection—Completed
Bridge Deck—Completed
Road Realignment—In Progress
