Idaho Falls, Idaho 83402

**Notice to Proceed:**

January 24, 2023

**Fixed Completion Date:**

November 30, 2026

**Project Description:**

Utilizing Great American Outdoor Act Funding the Yellowstone River Bridge project includes constructing a new bridge over the Yellowstone River, a new alignment to the bridge approach, expansion of picnic areas, and additional parking at various trailheads.

**Construction Activities & Upcoming Work:**

The contractor has continued work on the reclamation efforts across the project. Pier 3 access road reclamation is nearing completion, and the contractor is hopeful of having it completed by the end of the week. As the reclamation is being completed the contractor has been installing their permanent erosion control measures. At new Wrecker Circle Road the contractor has begun cutting it down to subgrade elevation. There will be no traffic delays over the holiday weekend until the following Tuesday. Please use caution when driving near construction equipment and access roads.
