## Construction Activities & Upcoming Work

Bridge subcontractor continued work on the temporary work bridge this past week. The blasting subcontractor performed another overnight blast last weekend and is drilling for another planned blast during the road closure on 6/25. Pruhs is excavating the rock and stockpiling the material south of the bridge.

## Traffic Delays

Contractor's current schedule is **Monday thru Saturday, 7am-5pm. Expect up to 30 minute traffic delays during this time.** Please drive cautiously through the project area. **Due to rock blasting, there will be nightly road closures from midnight to 6am, Sunday—Thursday.**
