Construction Activities & Upcoming Work

The prime contractor continues earthwork and crushing excavated material at the pit to provide embankment material to rebuild the new road alignment. The pile driving Subcontractor has everything ready to start work on the temporary bridge. The blasting crew has arrived and planning for the first test blast to be Sunday morning.

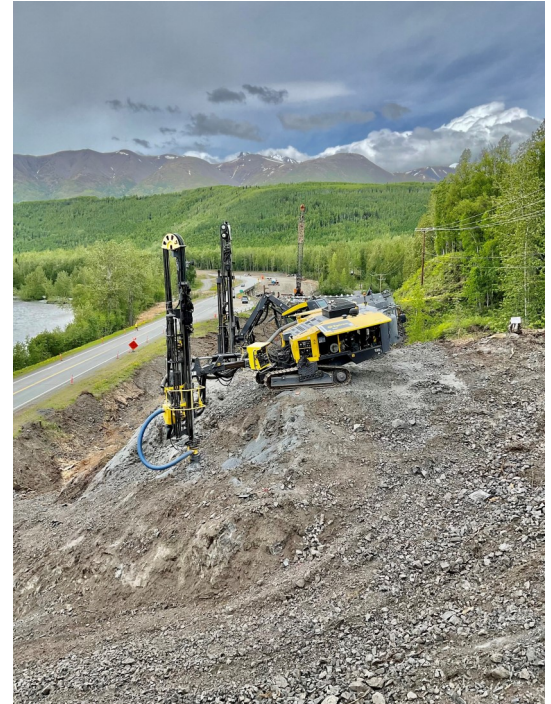

Traffic Delays

Contractor's current schedule is **Monday thru Saturday, 7am-5pm. Expect up to 30 minute traffic delays during this time.** Please drive cautiously through the project area. **Starting June 11th, due to rock blasting, there will nightly road closures from midnight to 6am, Sunday—Thursday.**
