Administration**

## Construction Activities & Upcoming Work

This past week the contractor began installing borrow material to build up the Swim Beach parking lot expansion as well as excavating a drainage swale on the SE corner to the swim beach utilizing full closures.

Next week the contractor will be closing the Non Motorized Boat Launch for electrical installation, parking lot excavation, and roadway work between there and the Motorized Boat Launch along Lathrop Street. They will continue installing borrow material for the expansion of the Swim Beach parking lot and installing sod in the swale. The contractor will also begin excavation of the Northlake extension between Cinch Street and the Lathrop Street extension.

## Traffic Closures

This coming week the Non Motorized Boat Launch will be completely closed, and half of the Swim Beach parking lot will be closed, Monday-Friday, 7am-7pm.
