Fixed Completion Date:

September 11, 2020

Project Description:

Old Divide and South Fattig Creek Road is being administered by The Federal Highway Administration, Western Federal Lands Highway Division, in partnership with the prime contractor Century Companies Inc. and Musselshell County, Montana. Old Divide Road is approximately 6 miles in length. South Fattig Creek Road is approximately 2 miles in length. The project includes sub-excavation, asphalt pavement crack sealing and filling, asphalt pavement, and chip seal.

Current and Upcoming Work:

Century and their subcontractor Winkler Excavating started construction operations removing existing asphalt pavement and constructing sub-excavation areas. This process will take approximately 2 weeks, removing existing asphalt and replacing the subsurface material in each sub-excavation section, and then patching with pavement.

Traffic Delays:

The construction schedule is 7:30am to 6:30pm Monday through Friday to accommodate Signal Peak shift change. Saturday work is anticipated. Traffic warning signs are installed on the project. Traffic lights for work zones will be utilized for the duration of the project. Residents should expect delays due to construction activities.
