December 29, 2022

Fixed Completion Date:
October 9, 2024

U.S. Department
of Transportation

**Federal Highway
Administration**

Construction Activities & Upcoming Work

Blasting operations have completed. The contractor continues grubbing operations along the highway and hauling roadway excavation. Riprap was placed at abutment No. 1, and the bridge subcontractor has poured concrete in the new bridge steel piles.

Traffic Delays

Contractor's current schedule is **Monday thru Sunday, 7am-7pm. Expect up to 30 minute traffic delays during this time.** Please drive cautiously through the project area.

Left: Placing riprap.
