Construction Activities & Upcoming Work

This past week the contractor continued excavating and installing borrow material for the Lathrop Street & Northlake Lane extensions. They continued electrical installation at the Motorized Boat Launch. Two culverts were installed along Northlake Lane, near the Swim Beach parking lot. They continue to stockpile material near the north end staging area of the Motorized Boat Launch.

Next week the contractor will be partially closing the Motorized Boat Launch for electrical installation near the vault toilet, continue excavating, and installing borrow material for the Lathrop Street extension. They will be stockpiling material near the north end staging area of the Motorized Boat Launch and installing a culvert under the Shared Use Trail on the east end of the Swim Beach.

Traffic Closures

This coming week the Motorized Boat parking lot near the vault toilet will be partially closed Monday-Friday, 7am-7pm. Partial closure of Swim Beach from parking lot to Trail on the east end of the Swim Beach.
