of Transportation

**Federal Highway
Administration**

The Upper Sunken Grade Slide repair project is located at mile post 55.45 to 55.62 and MP 55.98 to MP 56.18 on Highway 20.

Week of August 17th, 2021

This week and next the contractor will stage detour and warning signs. No one lane flagging this week. Both lanes open to traffic. One lane flagging possible next week.

Look Ahead:

24 hour 1 lane flagging will begin September 7th, 2021

There will be a 3 day full closure September 8 to September 10.

Last week:

August 2 to August 6 the contractor mobilized to site.

August 9 to August 13 the contractor cleared and prepped the upper sunken grade for a temporary roadway widening.

August 13 the contractor paved the temporary widening.
