Construction Activities & Upcoming Work

This past week the contractor continued excavating and installing borrow material for Lathrop Street and the extension. They also began installing sheet pile in the slough to prepare for the 48-inch culvert installation. Next week the contractor will continue installing borrow material for the Lathrop Street extension. In addition, they will begin installing a 48-inch temporary culvert at the slough and work on reshaping the Motorized Boat Launch landscape islands.

Traffic Closures

This coming week portions of the Motorized Boat Launch parking lot will be closed off and a partial closure of west half of the Swim Beach from parking lot will occur, Monday-Friday, 7am-7pm.
