WHO WE ARE

The Federal Highway Administration (FHWA) is an agency within the U.S. Department of Transportation that supports State and local governments in the design, construction, and maintenance of the Nation's highway system (Federal Aid Highway Program) and various federally and tribal owned lands (Federal Lands Highway Program).

OUR MISSION

To enable and empower the strengthening of a world-class highway system that promotes safety, mobility, and economic growth while enhancing the quality of life of all Americans.

FHWA

The Heart of America's Roads

WHAT WE DO

Through financial and technical assistance to State and local governments, the Federal Highway Administration is responsible for ensuring that America's roads and highways continue to be among the safest and most technologically sound in the world. At FHWA, we are working towards this future. We are engaging in exciting, innovative projects that ensure the safety of the traveling public. We are pushing limits in the areas of engineering, research, operations, and so much more.
