April 16, 2019

Fixed Completion Date:

October 04, 2019

U.S. Department  
of Transportation

**Federal Highway  
Administration**

## Construction Activities & Upcoming Work

The Ketchum-Challis highway project is about to start up again. The project made it through the recent earthquake and many aftershocks without any noticeable damage or issues.

Mobilization of equipment and materials has already begun. Traffic delays and lane restriction will not begin until Wednesday, April 22, 2020.

Rock Supremacy has opted to not use road closures this season, **but expect minor delays of up to 15-minutes during daylight hours Monday through Friday. Delays will be limited to no more than 5-minutes during non-working hours and week-ends with Temporary Traffic Signals controlling traffic.**

Please be very cautious, reduce your speed, and obey the flaggers and signals when traveling through the work zone, as it will be very narrow.

Thank You
