Fixed Completion Date:

October 04, 2019

Riprap being placed.

Construction Activities & Upcoming Work

The added Pebble Beach repairs are progressing as scheduled with the placement of riprap possibly complete this week and work possibly wrapping up next week.

The roadway will continue to be restricted to one lane of alternating traffic controlled by flaggers during the work day, with signals running after hours and weekends through the completion of the work.

Expect delays of up to 15 minutes during the day when being flagged, and up to 5 minutes at night and weekends with the signals running.

Please be very cautious, reduce your speed, and obey the flaggers and signals when traveling through the work zone at Pebble Beach, as it will be very narrow. Thank You.
