Notice to Proceed:

May 26, 2020

Fixed Completion Date:

October 27, 2020

Project Description:

Short Oil Road is being administered by The Federal Highway Administration, Western Federal Lands Highway Division (FHWA), in partnership with the Prime Contractor Century Companies Inc. and Phillips County, Montana. Short Oil Road is HWY 364 and approximately 4 miles in length. The project includes removal of existing asphalt, roadbed reconditioning, aggregate base, asphalt pavement, and updating approaches.

Current and Upcoming Work:

Century Companies Inc has completed removing/milling the existing asphalt pavement and started subexcavation operations. The existing unstable subsurface material is being excavated and replaced with stabilization geotextile, geogrid and select borrow material to stabilize the roadway subgrade.

Traffic Delays:

Construction schedule is 7:00am to 7:00pm Monday through Saturday. Traffic lights will be installed for work zones with one lane traffic for the duration of the project. Expect moderate delays during construction operations.
