Construction Activities

Work at Forest Service Road (FSR) 5100-100 MP 2.3 is expected to be completed early next week. All of the slide debris on the road has been removed and final work on the roadway is underway. FSR 5100-100 will remain closed over the weekend.

Roadway work at FSR 5100-100 MP 2.3

Work at FSR 5008-100 MP 0.75 is now scheduled to start mid-July. Road closures at this site will follow the schedule below.

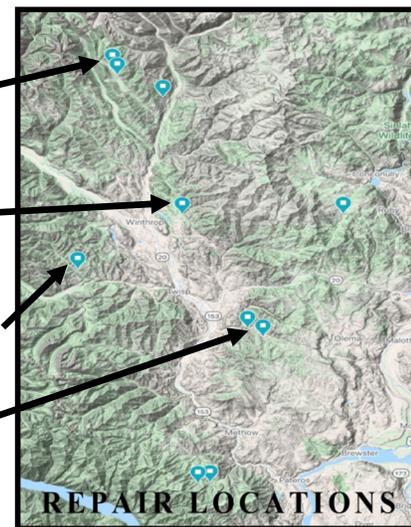

Work at FSR 4415-040 MP 0.0 to 0.4 will resume next week. Most of the work will take place on FSR 4415-040, however there will be some work on FSR 4415 at the junction with FSR 4415-040. The junction area will close for the replacement of a drainage culvert under FSR 4415. Roadway users on FSR 4415 should expect a full day closure during this work. Road closed signage will be put up in advance of the work for the section of road that will be closed.

Please use caution on roads nearby these sites as there will be increased traffic related to work activities.
