Dear **(b) (6)**

The Federal Highway Administration (FHWA) Office of Civil Rights is in receipt of your complaint, dated December 27, 2010. In your complaint, you alleged that the Virginia Department of Transportation (VDOT) and FHWA Virginia Division Office violated various State codes and Federal statutes pertaining to the federally funded project/program of I-81, which affected your property. Your complaint was received in this office on January 3, 2011.

Our records show that you filed a complaint in 2006 raising similar issues. The FHWA issued decisions in January, September, and October 2006 informing you that we did not have jurisdiction over the issues you raised. You were advised to continue communicating with the VDOT and that you had the right to file a private action in the appropriate U.S. District Court.

Since the issues you are raising have already been addressed, the FHWA will take no further action in this matter.

Sincerely yours,

Brenda F. Armstead
