The Secretary of the U.S. Department of Transportation concurs with the Federal Highway Administration's (FHWA) recommendations regarding the allocation of FY 2021 Disadvantaged Business Enterprise/Supportive Services (DBE/SS) funds to State Departments of Transportation in the amounts set forth in Table 1 below. All Divisions should ensure that the actual obligated funds for your State reflect the funding amount listed in Table 1.

The FHWA Office of Civil Rights (HCR) reviewed each DBE/SS Statement of Work and concurs with the Divisions' recommended approval. Please upload all DBE/SS accomplishment reports your Division receives from the State [here](#) in the respective State's folder by July 31, 2022, to align with August Redistribution, understanding accomplishments may be minimal at this point.

Details on the FY 2022 DBE/SS program will be issued in the coming months.

By copy of the memorandum, HCR requests the Office of the Chief Financial Officer Fiscal Management Information System (FMIS) Team process the amounts to the States listed in Table I below.
