

EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Illinois Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Illinois FLAP are listed below in no particular order and include:

Illinois Program of Projects for Fiscal Years 2013-2014

Application No.	Project/Facility Name	Project Type	Federal Land Accessed	Applicant	County
IL-02	Wilborn Creek Road (County Road 625E)	Resurfacing & Rehabilitation	U.S. Army Corps of Engineers - Lake Shelbyville	Moultrie County Highway Department	Moultrie
IL-03	Butteridge Road (TR 78)/Big Creek Road (TR 82)/Cache Chapel Road (TR 84)	Resurfacing & Upgrade	U.S. Fish and Wildlife Service - Cypress Creek National Wildlife Refuge	Pulaski County Highway Department	Pulaski

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these project agreements. Funding for these projects is not guaranteed. Funding beyond 2014 is dependent on reauthorization of the Access Program by Congress. The Illinois PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year. If you have any questions please contact David Payne, Access Program Manager, at 571-434-1543 or email at David.Payne@dot.gov.
