

## EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Indiana Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Indiana FLAP are listed below in no particular order, and include:

### Indiana Program of Projects for Fiscal Years 2013-2014

Application Number	Project/Facility Name	Project Type	Federal Land Unit Accessed	Applicant	County
IN-01	Santa Claus - Lincoln Discovery Trail/CR 1650N Extension	Trail Construction/Roadway extension	National Park Service - Lincoln Boyhood National Memorial	Town of Santa Claus	Spencer
IN-02	Hunters Creek Road	Right-of-Way Acquisition/Geotechnical Investigation/Structure Design	U.S. Forest Service - Hoosier National Forest	Monroe County Public Works	Monroe

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these agreements. Funding for these projects is not guaranteed. Funding beyond FY 2014 is dependent on reauthorization of the Access Program by Congress. The Indiana PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year.
