

## EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Massachusetts Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Massachusetts FLAP are listed below in no particular order, and include:

### Massachusetts Program of Projects for Fiscal Years 2013-2014

Application Number	Project/Facility Name	Project Type	Federal Land Unit Accessed	Applicant	County
MA-01	Pedestrian Path with Street Access and viewing node	Pedestrian Walkway-Merrimack Riverwalk	National Park Service - Lowell National Historical Park	City of Lowell	Middlesex
MA-02	Safety Enhancements and Structural Rehabilitation of Elm St Garage	Parking garage safety enhancements/structural rehabilitation	National Park Service - New Bedford Whaling National Historical Park	City of New Bedford	Bristol

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these agreements. Funding for these projects is not guaranteed. Funding beyond FY 2014 is dependent on reauthorization of the Access Program by Congress. The Massachusetts PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year.
