

EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Maine Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Maine FLAP are listed below in no particular order, and include:

Maine Program of Projects for Fiscal Years 2013-2014

Application Number	Project/Facility Name	Project Type	Federal Land Unit Accessed	Applicant	County
ME-01	Repave East B Hill Road	Resurfacing	Fish & Wildlife Service - Umbagog National Wildlife Refuge	Town of Upton	Oxford
ME-02	Operating Assistance for Island Explorer Shuttle Service	Operating Assistance and Service Expansion	National Park Service - Acadia National Historical Park	Maine Department of Transportation	Hancock

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these agreements. Funding for these projects is not guaranteed. Funding beyond FY 2014 is dependent on reauthorization of the Access Program by Congress. The Maine PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within Federal Fiscal Year 2015.
