

EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the New York Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the New York FLAP are listed below in no particular order, and include:

New York Program of Projects for Fiscal Years 2013-2014

Application Number	Project/Facility Name	Project Type	Federal Land Unit Accessed	Applicant	County
NY-02	Saratoga National Historical Park Connector Trail	Trail Construction	National Park Service - Saratoga National Historical Park	Town of Saratoga	Saratoga
NY-03	Canarsie Pier Active Transportation Connector	Trail Construction	National Park Service - Gateway National Recreation Area	NYC Department of Transportation	Kings

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these agreements. Funding for these projects is not guaranteed. Funding beyond FY 2014 is dependent on reauthorization of the Access Program by Congress. The New York PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year.
