Comments: With additional funding via the State Wildlife Conservation Board the creek within Dry Creek Rancheria will be restored to accommodate fish and wildlife habitat. TTP funding will contribute to roadway improvements along the creek at BIA 93, including: road stabilization along the creek and culvert replacement at road crossings. Construction cost is estimated to be 3.8 million dollars. State wildlife conservation grant will fund construction costs. TTP will fund administration, planning, engineering, construction engineering costs (for improvements along BIA 93 only). NEPA process has been completed.
 Note BIA 93 is included in current LRTP.
