Construction Activities

Work at Forest Service Road (FSR) 5008-100 MP 0.75 is nearly complete. The creek is now flowing through the new pipe culvert and the placement of the roadway aggregate is expected to be completed this week. Next week the crew will be working on the final site cleanup. FSR 5008-100 road users should expect limited delays next week.

Work at FSR 5140 MP 8.75 and MP 10.2 is also getting closer to completion. At FSR 5140 MP 10.2 the creek is now flowing through the new pipe culvert. Next week the crew will focus on getting the roadway completed at MP 10.2 and start the preparation work for pavement patching at both sites. FSR 5140 will remain closed to public traffic until the work at MP 8.75 and MP 10.2 is completed.

Work at FSR 4150 MP 0.3 and MP 2.2 will resume next week. During this work, closures will follow the schedule shown to the right.

Work at FSR 4010-050 MP 0.78 and MP 2.3 is expected to start next week. During this work FSR 4010-050 will be closed to public traffic.

Please, if the closed signs are up, stay out of the work area. Also, use caution on roads nearby these sites, as there will be increased traffic related to work activities.

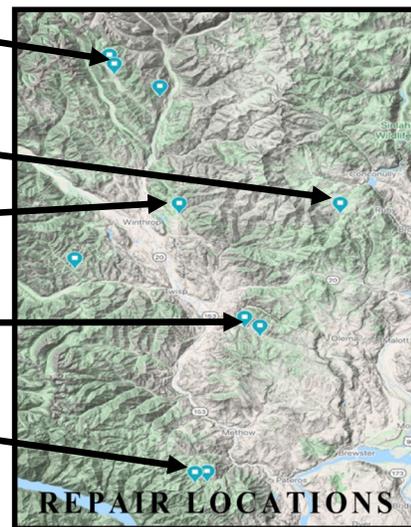

Road Impacts

- **Closed** - FSR 5140 MP 8.75 & MP 10.2
 - Work underway
 - Completion by the end of August
- **Closed** - FSR 4200-400 MP 0.2
 - Work starting in September
- **Limited Delays** - FSR 5008-100 MP 0.75
 - Work finishing up next week
- **See schedule above** - FSR 4150 MP 0.3 & MP 2.2
